Final Project

Work in teams of 2 or 3

Form Project Teams NOW, if you haven't already

Teams will be assigned a 'project TA'

(Not necessarily your recitation TA)

Elements of a good project:

-Does something

-Unusual

-Visually or aurally appealing

(Working projects will be videotaped!)

6.905

- Makes 6.111 an 18 unit subject

- 6 Engineering Design Points, but doesn't satisfy anything else

- Same grade as 6.111

- Signing up for 6.905 does not affect 6.111 grading

- Must have logic conference done (ready to sign out parts) and have paperwork done by DROP DATE

- Paperwork is a form, signed by your Project Ta and registration correction form (Drop Card), to Troxel.
